Time	Agenda Item	Speaker	Notes
	Meeting called to order	Kevin Jacobs	
	Approve minutes	Kevin Jacobs	Mintues approved
	Approve agenda	Kevin Jacobs	Trying to pay attention to finding a successor. Joan would like to split her role, because it is too much. Or having the raffle/Tag day volunteers come and be a liason with the board. Should we reconsider how things are restructured. Let's look at this discussion of restructuring.  Take a look at the bylaws and make sure we follow the succession correctly
	1 <sup>st</sup> VP Human Resources Report	Joan Roehling	Joan – we have sold more raffle tixs than last year already. Merchandise sales are going well already. We were talking about a potluck next week, and Joan has some gift cards to use for this. Also, the next couple of football games, we are going to do a how many gumballs are in the jar as a fundraiser for Egg and I gift cards  Should we drop the price of the sunglasses to 10.00? Maybe we should try to sell them at the musical or at basketball games. If we have made our basic fee, then maybe we should keep going with them and see how long we can keep them going. Why don't we recruit parents to sell at the musical and at the basketball games if we can.  Next week we will start collecting clothes, through the end of the month. Can we use the back room to collect them? Yes. The first week before Thanksgiving there will be a night at Delveckio's where the kids will play.  Wendy – will check about putting a table out at the musical with Ginger.
	2 <sup>nd</sup> VP Financial Resources Report	Heidi Grosshans	Soccer game tomorrow. Bevolin called on Friday and someone had approached her to open the stand for the soccer final. Tony can set the grill up, but can't stay, Joan will flip burgers. Kevin will go, and Heidi and Ben, and maybe a couple of other people.  Heidi – We might have a volunteer problem the next couple of games. Heidi will recruit the board if we need to help.  TAG day, we want to track routes that worked well, so we know what areas to go to, and which ones dont. We also have never gone over to LocAmora, Dawn says we didn't go over there because we didn't make much over there before.

			Kevin, we could consider reaching out to band alumni and band alumni families for donations. We can also think about posting Tag day etc on local city facebook pages. W also could consider setting up a facebook page for the band in general. Also, we could do a time when band alumni to come and play with the band and at some point. Something to think about in the future. We could also hit up alumni for volunteers to help with some of the programs, bandstand, etc.
	Guard Liaison Report	Dawn Corey	<p>Devon, sent us a proposal, that we pay the instructors only (winter percussion), and the kids would pay for costumes, etc. Dawn will forward us his proposal, Would this work for WP? Probably not, because there are so much more expenses.</p> <p>Band Jackets – Chanin needs to know where to order them. Do we refund the money for the season? Or do we still get them. Viola will get either Chanin or Joan some numbers to get them ordered. Even if we rush, we will pay for this extra expense because the ball got dropped.</p> <p>Let's give the staff jackets as well. To thank them for sticking it out.</p>
	Winter Percussion Report	Deb Brindzek	
	Student Band Board Liaison Report	Wendy DeBryune	<p>Wendy - Applebees after regionals, to celebrate. Let's do this a different night, and find a different night, like at the end of the season, could we combine it with a fundraiser as a percentage night as a celebration. Pumpkin patch on Oct 28 – going after school on a day when they used to have band. Would the board pay for that? There is the \$500 for SBB that they could use. They could also do a costume contest, if they wanted to do that. Could also do an outside scary movie – just possibilities.</p> <p>Wendy – Lettering process, could Ruben think about changing it, making it more possible for the kids to letter?</p>
	Treasurer's Report	Viola DeLaO/Jeremy Wescoat	<p>Jeremy – Broomfield Days \$690 sales 155 tailgate 1500 last football game 1300 one before 1300 is about typical</p>
	Band Director Updates	Ruben Romero	<p>Ruben – last football game same day as semifinal. They could make semifinals, and if so, that football game. Is also senior recognition night. Often they don't really play at halftime, they could go after senior recognition and let them go home. Let's have them play pep for the first half, then go home. Joan will handle the raffle.</p> <p>Wants the middle schoolers to come on Oct 16, instead of the last game. Ruben wants to buy them pizza, 8<sup>th</sup> graders and 7<sup>th</sup> graders. Supposed to be about 15 coming from Aspen. 40-50 coming from Ruben's school. Also getting numbers for shirts from Ryan and his kids. What are we putting on the shirts? Future Broomfield High School Marching Band Member.</p> <p>Tuba solo at the end of the show. For it to be heard, it needs to be miked. Ruben, went and bought a wireless mic for \$270.00 for the tuba, and it is working well. Is this ok? Will the band board pay for this. Yes, we are OK with it. Also added something to the beginning of the show, so that it is not under time.</p> <p>Tomorrow, Ruben will know about call time for Monday at regionals. What time do they perform at regionals? I think performances start at 3, and then the band maybe at 5:45. Bus will leave the school at two</p> <p>Saturday, have 2 parents show up at call time, and a few parents to help for lunch, maybe that would get more parents involved, and get some others involved without having to be all day. Shall we do a potluck type thing on CU Band Day. The sandwiches worked well. Easier to ask them to donate a tray of sandwiches, some chips, etc. We could do it by sections. Joan will send the email out, and fill in the gaps. Could also do fried chicken.</p>

			<p>Bagels in the morning, Should do granola bars before, then eat after. Probably won't eat until after 2. Maybe we as for donations for everything else, and Joan will buy the chicken.</p> <p>Ruben, wants to raffle off a show shirt and sunglasses to some middle schoolers. Maybe 7 or 8 packs.</p> <p>Awards ceremony, we need to check schedule with Ginger. Usually early in November</p> <p>Changing practice times next year to 6-9. Would make it easier for the kids to eat, do homework, etc, and also be able to book the field. Ruben also would like to not have it be the same every week, but the schedule is out way ahead of time. So they can book around other conflicts.</p>
